

Charlie's Challenge

Wanted - more Lions to match 46-year Cleveland Lion Charlie Kolb's challenge. He and his wife Ruth Ann are matching his Club's contributions to the WLF Lions Pride Endowment Fund.

Charlie and wife Ruth Ann are true believers in WLF's work and the importance of building the WLF Lions Pride Endowment Fund to preserve Camp and the other statewide projects.

In fact, they believe strongly, that the success of the "Pride Campaign" hinges upon all Wisconsin Lions taking a good look at their finances and stepping up to contribute personally. A huge thank you and tip of the hat to Charlie and Ruth Ann for their actions. C'mon Wisconsin Lions, how about boosting your donations!?!
