

The Shot Heard 'round the State...

At 11:30 am on June 13th the beautiful rolling hills of southern Wisconsin were alive with the sound of 90 shotguns as the 2nd Annual Lions Pride Shoot Sporting Clays fundraiser began. This one of a kind event brought together Lions and non-Lions from throughout the State and raised over \$23,000 for the Lions Pride Endowment Fund.

This year, new sponsors and special guests brought a bit of "spice" to the event, which shooters and volunteers alike agreed it definitely enhanced the day. The Milwaukee Iron, an Arena Football team, brought 4 attractive young ladies from their Dance Team to the shoot along with free tickets for the shooters and VIP ticket packages for the Live Auction. UW Madison wrestling coach Barry Davis even dropped by to shake a few hands.

Guns, sports, great food and pretty girls...what else could shooters ask for...how about a genuine Amish Quilt, donated by WLF Director PDG Jim and Lion Pauline Schiferl? The quilt along with a bottle of wine and candles made a nice gift for one lucky shooter to take home to his "shoot widow." The Lions Pride Shoot truly has something for everyone.

Thank you to all our sponsors, shooters and volunteers. Next year's shoot is already scheduled for June 12th. Mark your calendars and plan to join us in Johnson Creek. If you would like to see more pictures of the event, visit the Lions Pride website at www.lionspride.org/Events.html.
