

Club Meeting Site Sponsors Fundraiser

PID PETER CERNIGLIA *presenting owner Becky Rogers with a Certificate of Appreciation for her initiative and the donation.*

A number of clubs have undertaken dedicated fundraising projects for the WLF Lions Pride Endowment Fund Campaign to generate income beyond their regular Annual WLF Donations. Here's one with a twist ... at the Lake Wisconsin Lions Club. The owner of their regular meeting site, "Beck's on the Water," approached the club and said she'd like to sponsor a tailgate party with the income going to support Lions Camp through the Lions Pride Campaign.

The club enthusiastically supported her afternoon pilot effort last fall, with labor, food tickets, games for the kids, and a "Lucky Wheel" raffle. The net: more than \$600 for Pride, a lot of enthusiasm and ideas for an expanded future effort and hope for a better weather day.
