

Calling All Cans

Help, please! The WLF Lions Pride Campaign Cans for Cash were a great hit when they were introduced at State Convention in 2007. In fact, almost 1,000 cans were snapped up then and shortly thereafter.

But they're having a tough time getting back to the Pride Office! Only about 10% of the filled cans have been returned! By now, we bet a bunch more are filled but just haven't made their way to their Pride "home." If yours is stuck in a dresser drawer or most anyplace else, how about seeing that it finds its way back to the Pride office? Easy options

include giving them to:

- your WLF Director
- District Governor
- Vice Governors
- Region or Zone Chairs
- or a Club officer who'll be attending a Zone meeting

We'll bet they'll find a way to get them back to us! Thank you for your support!
